## **Confessing the Faith (Concordia Scholarship Today)** Robert Kolb

This book explores the implications of the fact that Lutherans have always viewed themselves as "confessional"—and thus "confessing." The bold confessions serve as a model and an inspiration for all contemporary Christians who likewise want to proclaim the saving Gospel of Jesus Christ to the world. Kolb studies the confessions of the 16th-century reformers from 1530-1580.
