Everyone learns to walk before running, and every believer learns to vocalize prayer before moving into sustained deep silences of communion with God. By Jesus' example, we know that He prayed the Scriptures aloud. *Praying the Bible* takes an old concept, the prayer book, and gives it a modern twist: complete passages of Scripture laid out in sections of distinct prayer genres. Eight categories with eighty-eight prayers enable readers to quickly reference the prayers of the prophets, the wisdom prayers, the prayers of Jesus, the apostolic prayers, and more. The introductions to each section expand on each specific type of prayer and also include detailed instruction on how to pray that specific section. This is a prayer tool for both the novice prayer and the seasoned intercessor that provides discipline and focus.
