The Order of the Kingdom Tudor Bismark

In two previous books, Order in the House and The Kingdom in Motion, Bishop Bismark dealt with the basic dynamics of Kingdom theology and Kingdom structure. This new series directly addresses the need for order in our personal lives. Many times we question the lack of blessing in our lives, blind to the chaos in which we live. Once we understand that God blesses order, we can begin to establish order and align ourselves with an orderly God and all that He has planned for us. An ordered life is imperative, as it will create a counter culture of order in the body of Christ and society at large. This study covers the following:

- Fruitfulness
- The Way Mantles Pass
- Influence
- Order versus Disorder
- Ordained Order
- Order Produces Prosperity

In addition to exceptional teaching and workbook questions, this study guide is full of wonderful truths from God's Word, powerful one-liners from Bishop Bismark, and expanded teaching not found on the DVDs and CDs. Get ready for life-changing revelation in this new series by Bishop Bismark, The Order of the Kingdom.
