**Three Novels of New York: The House of Mirth, The Custom of the Country, The Age of Innocence (Penguin Classics Deluxe Edition)** Edith Wharton

**For the 150th anniversary of Edith Wharton's birth: her three greatest novels in a couture-inspired deluxe edition featuring a new introduction by Jonathan Franzen.**

Born into a distinguished New York family, Edith Wharton chronicled the lives of the wealthy, the well born, and the nouveau riches in fiction that often hinges on the collision of personal passion and social convention. This volume brings together her best-loved novels, all set in New York.

*The House of Mirth* is the story of Lily Bart, who needs a rich husband but refuses to marry without both love and money. *The Custom of the Country* follows the marriages and affairs of Undine Spragg, who is as vain, spoiled, and selfish as she is irresistibly fascinating. The Pulitzer Prize-winning *The Age of Innocence* concerns the passionate bond that develops between the newly engaged Newland Archer and his fiancée's cousin, the Countess Olenska, new to New York and newly divorced.

For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*From the Trade Paperback edition.*
