**Women at War: The Story of Fifty Military Nurses Who Served in Vietnam (Studies in Health, Illness, and Caregiving)** Elizabeth Norman

Norman tells the dramatic story of fifty women—members of the Army, Navy, and Air Force Nurse Corps—who went to war, working in military hospitals, aboard ships, and with air evacuation squadrons during the Vietnam War. Here, in a moving narrative, the women talk about why they went to war, the experiences they had while they were there, and how war affected them physically, emotionally, and spiritually.
