Expert Guide to Otolaryngology

Expert Guide to Otolaryngology

A considerable number of visits to primary care physicians are related to the diagnosis and management of conditions that affect the ears, nose, and throat. Expert Guide to Otolaryngology aids physicians in the evaluation and management of these patients. Written and edited by members of the American Academy of Otolaryngology-Head and Neck Surgery Foundation, Expert Guide to Otolaryngology provides the primary care physician with a handy, user-friendly, and informative reference. Chapters include numerous photographs and line drawings, case studies, management algorithms, and selected readings for additional information. It contains over 200 figures. Expert Guide to Otolaryngology guides the primary care physician in the administration of first-line therapy for diseases of the ear, sinuses, airway, and the head and neck, and aids primary care physicians in communications with their colleagues in the field of otolaryngology. This highly illustrated book provides the practical information physicians need in a format compatible with today's hectic practice environment.
