## **Exu: Exu and the Quimbanda of Night and Fire** Nicholaj de Mattos Frisvold

Exu & the Quimbanda of Night and Fire, is the strong companion to Pomba Gira and together with her gives the most complete account of this sorcerous cult. Exu is the fusion of Umbanda, Angolan sorcery, European demonology and Kardec's spiritism, erupting in a uniquely Brazilian cult of practical magical action. Spells, workings, hierarchies and origins are all given in detail. This is an essential text for students of the grimoires, Satanism and Traditional Witchcraft, as well as those drawn to or working within the cults of Quimbanda, Candomble, Santeria, Palo Mayombe and the ATRs. Quimbanda is a living tradition that gets results. It is a massive storehouse of magical lore, heresies and history which has absorbed aspects of Goetia, Grimorium Verum, Red Dragon and even Huysman's La Bas. The origin of Exu is explored from the iconic Baphomet of Eliphas Levi and the influence of St Cyprian the patron saint of necromancers, back to Umbanda and the traditional African religions. Exu revels in a unique heritage that encompasses a Gnostic account of the crucifixion mystery, the concealed nature of St Michael Archangel and the native Shamanism of the Caboclos. A forceful spirit, Exu presides over the kingdom of the world, and offers a fierce path for those that would take him as companion. He asks, what does it mean to be a man? The Seven Legions of Exus are 'hot' spirits, and their work is considered black magic. The perils of this work are given, with the dangers of obsession by the Qliphoth and vampirism described. Guidance is offered and the path to ascension shown. In Exu & the Quimbanda of Night and Fire Frisvold gives explicit workings for good and ill, a herbarium and details of offerings, powders and baths, songs and seals. He discusses the fearsome Exu Mor for the first time, a subject not treated in his previous works. Frisvold is an initiate and gives an insider's view, drawing upon his years of experience in the cult.
