Chilling Cases Of Deserted Psych Wards, Haunted Asylums, Spooky Graveyards And True Ghost Stories  
Louisville, Kentucky is the site of what is said to be one of the most haunted places on earth. Waverly Hills Sanatorium is perched upon a massive hill, its decaying ruins casting a perpetual shadow of doom over the city that resides below it. It darkens the air, looking ominous and foreboding, and it is backed up by a chilling history that is bound to make anyone who learns of it shiver and tremble. Even on the best of days, most of us would hardly like to enter asylums where, for lack of a better word, 'crazy' people are housed. These institutions are often like the black ops of hospitals – they are there, but they are hardly spoken about or given the attention they deserve. And this is in a normal situation. What do you think would happen when the scales tip over into the paranormal? Strangely enough, the idea of a haunted asylum seems to fire up our imagination; where we would not have cared to spend too much time in a normal psych ward, an abandoned and perhaps haunted psych ward is far too good an opportunity to pass up. I have to warn you though, for all that these places may seem like a brilliant Halloween set up – they are truly not...
