In Sicily

Norman Lewis

In Sicily Norman Lewis

Few places on earth have escaped the singular eye of Norman Lewis, but always, in the course of his long career, he has come back to Sicily. From his first, wartime visit - to a land untouched since the Middle Ages - through his frequent returns, he has watched the island and its people as they have changed over the years. In 1998 he returned yet again to write this book, the result of a sixty-year-long fascination with all things Sicilian.

In Sicily reveals this fascination on every page. Throughout there is the Mafia, and Lewis's friendships with policemen, journalists and men of respect. But more, he writes of landscape and language, of his memories of his first father-in-law (professional gambler, descendant of princes and member of the Unione Siciliana), of Sicily's changing sexual mores, of the effects of African immigration, of Palermo and its ruined palaces - and of strange superstitions, of witches and bandits and murder.
