Sugar and spice and all that's nice? Not quite. You have probably been a victim of a mean girl once or twice, the kind that loves to spread rumors, fight over the smallest things, tease, and torment. Let's face it. Sometimes girls can be just plain mean.

But here's a way to end the cycle of mean once and for all.

*Mean Girls* explains why girls are cruel and shows you how to deal with them, how to stop the cycle of Mean, and even how to remove Mean altogether.

Hayley will show you

- why some girls treat you the way they do
- what God thinks about your Mean Girl
- why hanging out with a Mean Girl is bad for you, and
- how to move on and find new, more healthy relationships

This completely revised edition of *Mean Girls* includes new material on violent girls and will speak to you whether you're in middle school, high school, or even beyond! Mean Girls might be around forever, but that doesn't mean they have to torment you. You can avoid fear, hurt, and embarrassment. Hayley DiMarco shows how!
