April Chance needs help. She has no idea how to be courted, but Peter MacPherson aims to teach her. April thinks Peter is just being brotherly, but he has a mind to win her heart and start a family of their own. Will she ever believe she's much more than cooking skills and an ample waistline? By the time she realizes her feelings for Peter, will it be too late? Kate Chance has never been overly feminine. But the newest ranch hand, Matt Salter, has her feeling downright ladylike. As her heart realizes the truth of her feelings for him, his secret assignment in Reliable is discovered and threatens to destroy her fragile trust and hope for love. Could the Lord have plans to decorate the lives of two exceptional women with the love they least expect?
