## **The Miracle Stealer** Neil Connelly

The second YA novel from the author of the critically acclaimed ST. MICHAEL'S SCALES will twist you in knots with its suspenseful and shattering take on faith, hope, and miracles. Andi Grant adores her 6-year-old brother Daniel, a "miracle child" who fell down a mine shaft and survived. People regularly come to him for blessings and healings (which sometimes seem to work), and Andi is horrified by his exploitation, esp. when she finds signs of a stalker around their home. With the help of her once-and-maybe-future boyfriend Jeff, she comes up with a plan so audacious, so dramatic, it will stop the attention on Daniel forever: an "Anti-Miracle" that will unravel with the slightest examination of the facts, and cast doubt on Daniel's powers forever after. (cont.)
