A Kiss of Revenge by Natalie J. Damschroder

Marriage is completely over-rated, especially after Reese Templeton's quadratic failure. She'd rather settle down to a solitary life of owning a bakery—after she tracks down the man responsible for her husband's death and making her a human Taser full of enough electricity to short out a city block or send a man into cardiac arrest with just one kiss.

But alluring P.I. Griffin Chase is stirring up those feelings of need again. Only this time, her desire to be in his arms has nothing to do with her fear of loneliness and everything to do with the current charging through her body every time he looks at her...touches her.

Griffin hasn't remained at Reese's side just because of the spark that has nothing to do with her super-human talents. He's willing to compromise his rock-solid principles so she can find closure. But before they can move on, he must help her catch her late husband's killer, staying on track before she has a chance to exact her revenge. Because leading Reese to jail in handcuffs may just break his heart for the final time.
