Carlos Fuentes

**Gringo viejo (Spanish Edition)** Carlos Fuentes

**Un fulgurante bestseller mexicano en Estados Unidos, Gringo viejo (1985) es una de las novelas más famosas de Carlos Fuentes, figura central de la narrativa y la ensayística mexicana.**

**En *Gringo viejo*, Fuentes plasma los turbulentos años de la lucha revolucionaria en México, cuando un viejo escritor norteamericano escéptico, insalvablemente amargo, que no se resigna a esperar la muerte por enfermedad o por accidente, decide cruzar la frontera de su país en busca de una muerte digna.**

En 1913, el escritor norteamericano Ambrose Bierce se despidió de sus amigos con una carta en la que se declaraba viejo y cansado. Quería morir y elegir cómo. La enfermedad y el accidente le parecían indignos; en cambio, ser ajusticiado ante un paredón mexicano...

En el mes de noviembre cruzó la frontera hacia México, que estaba en plena revolución, y no se volvió a saber de él. La Enciclopedia Británica aventura que pudo ser asesinado en el sitio de Ojinaga (enero de 1914), pues un documento de la época consigna la muerte en esta batalla de un "gringo viejo".
