Is quantum physics closer to black magic than it is to science? This was the crucial question Wolfgang Pauli faced towards the end of his life. Pauli, one of the founders of the modern quantum theory, had also spent his creative life interacting with Carl Jung in an attempt to integrate physics and depth psychology, and heal the split between inner and outer worlds. This great endeavor, this crucial question explored by two great minds to bring about a true unus mundus is at the essential heart of the *Return of the World Soul*.
