Streets of Fire

Eric Meola

Streets of Fire Eric Meola

“On a day like this, I remember—I’m the President, but he’s The Boss.”
—President Barack Obama, 2009 Kennedy Center Awards ceremony

Compiled by accomplished photographer Eric Meola—who knew “the Boss” when he was just an unknown Jersey kid with big rock and roll dreams—*Streets of Fire* is an intimate photographic look at Bruce Springsteen during a pivotal year in his life and career. In 1977, Springsteen was coming off the enormous success of his album, *Born to Run*, and in the studio working on his fourth record, *Darkness on the Edge of Town*—and these breathtaking candid photos are portraits of a master musician finally coming into his own. A stunning collection of photographs—some never before published—of Bruce and the E-Street Band combined with the haunting lyrics of some of Springsteen’s most unforgettable songs, *Streets of Fire* offers fans a privileged and rarefied look at one of rock’s most legendary and beloved icons.
