The Passion of the Chosen is about the Nation of Israel and its bond with the Holy Land of Israel known also as 'Palestine' - a name given to it by its Roman conquerors some 1800 years ago. It is about the Divine Covenants made with the three Patriarchs, Abraham, Yitzhaq and Ya'acov, that the Holy Land is gifted by God solely to the Nation of Israel, and in perpetuity and not at any time to any other nation or any subsequent claimants, a promise which was repeated endless times in the Bible and by all the Biblical prophets whose prophecies are quoted in this book. This book is not intended to be definitive, it is rather instead an attempt to fuse several disciplines: philosophy; history; biblical scholarship; Jewish and Kabbalistic fundamentals and the relevant international law background of the rights of the Jews to the Holy Land. This book is intended to provide an overall picture on these matters to the young and old, Jews and non-Jews in the Western and Eastern hemispheres, who have been submitted to media blitz on these issues without having a clue about the fundamental relevant facts. It is also intended to those who are puzzled by the continued Biblical process known as 'The Ingathering Israel's Exile to Zion' which has materialised over the past five hundred years and continues to the present day, seeing the Judean exiles returning to Zion from the four corners of the globe, cultivating the desolated parts of the land of Israel and settling in them and reviving Judea and Samaria, overcoming persistent wars and persecution by their enemies.
