The Sacred Harp: A Tradition and Its Music (Brown Thrasher Books) Buell E. Jr. Cobb

On any Sunday afternoon a traveler through the Deep South might chance upon the rich, full sound of Sacred Harp singing. Aided with nothing but their own voices and the traditional shape-note songbook, Sacred Harp singers produce a sound that is unmistakable—clear and full-voiced. Passed down from early settlers in the backwoods of the Southern Uplands, this religious folk tradition harkens back to a simpler age when Sundays were a time for the Lord and the “singings.”

Illustrated with forty-one songs from the original songbook, *The Sacred Harp* is a comprehensive account of a unique form of folk music. Buell Cobb’s study encompasses the history of the songbook itself, an analysis of the music, and an intimate portrait of the singers who have kept alive a truly American tradition.
