Profoundly moving, wise, and ultimately redemptive, an inspiring personal memoir of hope and forgiveness, and an unforgettable testament to the healing power of Angels.

Growing up in the suburbs of Dublin, Aidan Storey was the youngest of seven, a much-loved, happy child who enjoyed family life. But there was one difference between Aidan and his friends: When everyone left, Angels visited Aidan. Unaframed of the beautiful, luminous spirits that watched over him, it wasn't until much later that Aidan realized not everyone could see what he could—and not everyone shared his exceptional gift for healing.

In this remarkable memoir, Aidan vividly recalls how the presence of Angels sustained him through years of great turmoil when his happy, carefree world turned into one of misery and torment. As he recalls the sexual and mental abuse he suffered at the hands of two teachers in his Christian Brothers primary school and the isolation which followed, Aidan tells how the Angels helped him find his way back to life and, through the power of divine healing, taught him how to bring light and love into his life and the lives of many others.
