## **Omaha Steaks: Let's Grill** John Harrisson

Here is the perfect companion to everybody's favorite cooking technique: the unbeatable thrill of the live fire. More than a wonderful collection of mouthwatering recipes, **Omaha Steaks: Let's Grill** is also an invaluable introduction to everything you need to know (and nothing you don't need to know) to set up, fire up, and grill away.

The useful how-to section begins with a much-needed clarification of the cooking methods-grilling, barbecuing, smoking, and others. Then it's on to the equipment: whether you're cooking on a gas, charcoal, electric, or rotisserie grill, **Omaha Steaks: Let's Grill** discusses what you should look for and what you should avoid. Accessories are demystified, safety issues are explained, the variety of fuels (lump charcoal, briquettes, woods) and how to use them are outlined. The authors also walk you through the crucial steps of building, lighting, and maintaining the fire, cooking over it, and cleaning up. By the end of a few brief chapters, you'll know the hows and whys of every aspect of grilling.

And then come the recipes: soups, beef, pork, lamb, chicken, fish and shellfish, vegetables, and desserts-an array of sixty fantastic dishes, representing a broad range of cuisines, from down-home favorites such as Chile-Rubbed BBQ Hickory Ribs to updated classics such as Pine Nut-Crusted Rack of Lamb with Grilled Asparagus to Far East-inspired Lemongrass-Speared Chicken Satay with Thai Peanut Sauce. The dishes are creative, but developed with the home cook in mind so all recipes are completely accessible to everyone.

**Omaha Steaks: Let's Grill** concludes with a chapter of essential advice on selecting, preparing, storing, and using grill-friendly ingredients, and appendixes that include at-a-glance charts of cooking times and internal food temperatures. Leave this book right next to the tongs, because you'll be reaching for this indispensable handbook of information and recipes all year long.
