Psyops (Italian Edition) Solange Manfredi

La guerra psicologica: «È sviluppata e sostenuta da interessi così potenti da rendere la sua individuazione un'attività specifica. Dal momento che non agisce alla luce del sole... viene spesso individuata solo in seguito al raggiungimento dei suoi obiettivi. Tra questi la fomentazione di disordini, di rivolte o forme di resistenza, i cambiamenti politici, lo spionaggio commerciale od economico, l'inficiamento morale di un esercito o di un popolo» (Nara, rg 226, s.210, b. 432, f.8: Manuale di Intelligence per la propaganda occulta, 16 maggio 1946).

Immergersi nei documenti in cui sono spiegate dettagliatamente le tecniche per influenzare e manipolare - ingannare - l'obiettivo (una popolazione, un gruppo o, anche, un singolo uomo) è come leggere un libro dell'orrore; e ci si rende conto non solo che: «le armi della guerra psicologica... fanno più vittime innocenti di qualsiasi guerra convenzionale», ma che la guerra è ancora, sempre, in atto; il campo di battaglia è ovunque; e noi, anche noi, anche oggi, ne siamo gli obiettivi.

Questo libro, che dopo aver accennato ai fondamenti della guerra psicologica ne ripercorre l'applicazione sulla nostra penisola, vuole evidenziare il meccanismo con cui questa opera sulla nostra psiche a livello cosciente ed incosciente. La speranza è che, evidenziati i principi di condizionamento della massa, sempre più persone possano sviluppare quella consapevolezza che permette di non cadere nell'inganno, nella tentazione di seguire la via più facile.

It means that it can being your friend when you truly feel alone and beside associated with course make you smarter than in the past. Yeah, it is very fortunated for you personally. The book makes you far more confidence because you can know every thing by the book. So , let's make new experience as well as knowledge with this book.

John Lien:

As people who live in the particular modest era should be change about what going on or info even knowledge to make them keep up with the era and that is always change and progress. Some of you maybe can update themselves by reading books. It is a good choice for you but the problems coming to a person is you don't know what type you should start with. This Psyops (Italian Edition) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

Gloria Lockwood:

Information is provisions for individuals to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even a concern. What people must be consider when those information which is within the former life are challenging to be find than now could be taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Psyops (Italian Edition) as the daily resource information.

Geraldine Louis:

You may spend your free time to learn this book this guide. This Psyops (Italian Edition) is simple to create you can read it in the park, in the beach, train and also soon. If you did not include much space to bring the printed book, you can buy often the e-book. It is make you better to read it. You can save typically the book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.
