Best-selling authors Trisha Ashworth and Amy Nobile brought sweet relief to moms with their first book, *I Was a Really Good Mom Before I Had Kids*. Here they return with a frank, yet encouraging look at marriage post-tots. They set out to discover if parenthood has to be incompatible with conjugal bliss—and if so, how to change that. To find out, they spoke to hundreds of mothers (and quite a few fathers). *I'd Trade My Husband for a Housekeeper* examines the challenges of modern parenthood for married couples today and it extends a loving hand so that mothers can step out of the madness, make the most of what they have, and learn to love their marriages as much as they love their husbands and kids.
