News, Public Relations and Power (The Media in Focus series) Simon Cottle

Introducing theoretical ideas and the latest empirical findings in this fast-developing field of media communication scholarship and study **News, Public Relations and Power** has contributions from leading international researchers who address issues such as: the rapid growth of public relations and its impact on news production; state information management strategies in times of internal political dissent; political parties and mediated 'spin' conducted at national and local levels; the historically changing nature of war journalism; and tabloid television and forms of cultural representation. The book begins with Simon Cottle's introduction which sets out the key ideas and approaches in the field.
