From Book 1:

A recipe for success or a design for disaster? Although they're sisters, Paige and Erin Forrester are like oil and water, night and day, denim and silk. Paige is an outgoing fashionista who loves to be the center of attention, while Erin is more comfortable sporting vintage garb and recording the action around her. When a near disaster turns into the opportunity of a lifetime, these two very-different sisters are given the chance to star in their own fashion-TV show. A guest spot on a hot teen-reality series and their first big red-carpet assignment give this unlikely partnership plenty of room for success—and even more for failure.
