Holy Things for Youth Ministry is a youth curriculum containing 13 sessions written by individuals who have extensive experience in youth ministry. This approach is based on the research and practices of the Duke Youth Academy for Christian Formation - led by visionary Fred P. Edie, Ph.D. - as well as elements of Edie's book. All who minister to youth will find effective ways to transmit Christian faith by actually engaging in it with youth. The well-grounded, step-by-step resource is ideal for any youth event, meeting, or gathering, in a single session for youth groups, or as a Sunday school series. Leaders are given relevant biblical and historical background information, exact activity instructions, specific scriptures, and thoughtful questions to facilitate interaction.
