Long Simmering Spring (Star Harbor Book 3) Elisabeth Barrett

Spring comes to Star Harbor, bringing unexpected passion for a sexy sheriff, as the next Grayson brother finds love with the town's beautiful doctor.

Julie Kensington grew up in the same small town as the Grayson brothers and remembers when the boys were nothing but trouble. As teenagers, Cole's rugged sex appeal set Julie's heart ablaze, but she did her best to ignore it. Now a grown woman with a medical degree, Julie still can't resist her searing attraction to the roughest, toughest Grayson. He's ex-military, tormented, and sexier than ever, but are his wounds too deep to be healed by her loving, gentle touch?

Even back in high school, straight-arrow Julie had a way of making Cole think twice about his bad-boy lifestyle. When Julie decides she's finally ready to embrace her wild side, Cole knows he is just the man to show her the way, unleashing years of pent-up desire. Neither of them counted on falling in love, but when Cole's demons threaten to derail their relationship, it's up to Julie to show him that together, they can overcome the past . . . and build a future.

Includes a special message from the editor, as well as excerpts from these Loveswept titles: *Deep Autumn Heat*, *Blaze of Winter*, and *Along Came Trouble*.
