*Forget the Age of Aquarius and hang on tight!*

The term 'Indigo Children' entered the lexicon in 1982 when psychic and author Nancy Ann Tappe talked about the coming Indigo Age in her book, *Understanding Your Life Through Color*. In this guide, the authors explain why Indigo Children require lots of attention: they tend to think holistically and intuitively, and they process emotions differently. Parenting these high-level children is a challenge, and their years in school may be challenging.

?Articles about the Indigo phenomenon have appeared in newspapers throughout the U.S. and as far away as Russia over the last few years, including one in the *New York Times*

?Author Wendy H. Chapman is considered one of the foremost experts on Indigo
