## **The Vision** Kahlil Gibran

The Vision: Reflections on the Way of the Soul brings together Kahlil Gibran's Arabic writings concerned with the spiritual life. In twenty-four meditations, essays, and prose poems, Gibran expounds his unique philosophy of life while discussing such perennial themes as Beauty, Nature, Hidden Realities, Human Unity, Tragedy, Pride, Death, and the Immortality of the Soul.

Gibran's religious vision is world-embracing and ecumenical. He read widely and was inspired by Buddhism, Vedanta, American Transcendentalists, and Nietzsche, along with his primary influences of Eastern Christianity, Islam, and the folk traditions of his native Near Eastern culture. His fervent belief in humanity's common heritage and shared destiny has made his writings popular the world over and classics of modern religious literature.

Juan Cole's stunning and lyric translation revives Gibran's passionate stories of spiritual transcendence through love and suffering.

### From reader reviews:

#### **Brian Lopez:**

Information is provisions for folks to get better life, information today can get by anyone at everywhere. The information can be a information or any news even a concern. What people must be consider any time those information which is within the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you get the unstable resource then you have it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take The Vision as your daily resource information.

#### **David Henry:**

This The Vision is great reserve for you because the content and that is full of information for you who else always deal with world and get to make decision every minute. That book reveal it details accurately using great arrange word or we can claim no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but difficult core information with lovely delivering sentences. Having The Vision in your hand like finding the world in your arm, information in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen small right but this reserve already do that. So , this is good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?

#### **Joseph Southard:**

Beside this particular The Vision in your phone, it may give you a way to get more close to the new knowledge or data. The information and the knowledge you can got here is fresh from the oven so don't possibly be worry if you feel like an outdated people live in narrow village. It is good thing to have The Vision because this book offers for your requirements readable information. Do you at times have book but you do not get what it's exactly about. Oh come on, that will not happen if you have this within your hand. The Enjoyable arrangement here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss it? Find this book in addition to read it from now!

#### **Tia Sargent:**

A lot of book has printed but it differs. You can get it by web on social media. You can choose the most beneficial book for you, science, comedian, novel, or whatever through searching from it. It is called of book The Vision. You'll be able to your knowledge by it. Without departing the printed book, it may add your knowledge and make an individual happier to read. It is most important that, you must aware about e-book. It can bring you from one destination for a other place.
