The Léger Connection: A Genevieve Lenard Novel (Volume 7) Estelle Ryan

Stolen art. Rogue police officers. Drones.

A video call from her dad leads top white-hat hacker Francine to four stolen masterpieces. And to a possible murder--in Brazil. Her frustration at being so far away is turned into anger when her loved ones are attacked and corrupt law enforcement officials stonewall their inquiries.

Blackmail, a kidnapping and a blatant heist in their backyard in Strasbourg reveal a plan to use unregulated drone technology in a daring escape. Francine's concern for her best friend and her parents' safety has to take a back seat to her determination to save the lives of bystanders. Together with her team, she will do anything to stop these criminals from executing their brutal plan. If she's not already too late.
