## **Aliens vs. Parker Vol. 1** Paul Scheer

GAME OVER Set in the not so distant future, a group of SpaceX employees spend their days doing what they always do: loading and unloading cargo all over the universe and playing video games. That is, until they have to deliver a 'classified' package to the most dangerous planet in the galaxy. The ragtag team of slackers, malcontents, and gamers must put all their skills (or lack thereof) to the test if they want to survive. From comedian Paul Scheer (Adult Swim's NTSF:SD:SUV::) and writer Nick Giovannetti, with art by rising star Manuel Bracchi, comes a scifi action comedy perfect for fans of Shaun of the Dead and alien farts.

### **From reader reviews:**

#### **Harley Fabry:**

Precisely why? Because this Aliens vs. Parker Vol. 1 is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will surprise you with the secret it inside. Reading this book alongside it was fantastic author who write the book in such remarkable way makes the content interior easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of positive aspects than the other book possess such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I were being you I will go to the guide store hurriedly.

#### **Sarah Farmer:**

This Aliens vs. Parker Vol. 1 is great reserve for you because the content which is full of information for you who have always deal with world and have to make decision every minute. This book reveal it info accurately using great plan word or we can state no rambling sentences inside. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tough core information with beautiful delivering sentences. Having Aliens vs. Parker Vol. 1 in your hand like getting the world in your arm, data in it is not ridiculous just one. We can say that no guide that offer you world with ten or fifteen small right but this book already do that. So , this can be good reading book. Heya Mr. and Mrs. active do you still doubt this?

#### **Henry Buford:**

In this particular era which is the greater person or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple way to have that.
