When two South Carolina Department of Natural Resources officers are called to the scene of a car accident to view a body that has been partially eaten by a wild animal, they cannot begin to imagine that the race against the clock to stop a man eater before it kills again will also uncover a conspiracy that has tentacles reaching into the highest levels of government and could change the future of hunting in the United States. With their lives and the lives of their loved ones at risk, and government corruption affecting their agency, Captain Robert Pike and Sergeant Michael Tucker must face the realization that there may no longer be anywhere left to turn for help.
