Truthfully, the trail we follow through infertility is not an easy one. We will stumble and fall, meander at times, and occasionally skip with joy. The key is that you will not be alone and you won't be without your walking tools; the following chapters are meant to serve as your compass, map, and mile markers. And me? Well, I'm your walking partner. As we take this walk together, my ultimate intention for you is to find HOPE . . .

Hope to alleviate fears and uncertainties  
Hope that you move forward on your journey  
Hope that your dreams will come true  
Hope that you will find peace within yourself  
Let's go take a walk . . .
