## Ruin Falls: A Novel Jenny Milchman

Liz Daniels should be happy about setting off on a rare family vacation. Instead, she feels uneasy about taking her kids away from home to see their grandparents. Her husband, Paul, hasn't spoken to his parents—or about them—in years, and it's a long drive to the remote farmhouse. After a day on the road, Liz decides it's time to check in to a hotel for the night. After all, everything always looks better in the morning. But when the sun comes up, she finds her worst fears realized and her entire existence upended: Paul is suddenly a stranger to her, and Liz must now fight to save her family. Her panic mounts as she races to unravel a web of lies, following a thread that leads deep into the woods and journeying from a safe, ordinary life to a disturbing, hidden world born from dreams and haunted by nightmares.
