## The definition of a happy man?

The guy who knows exactly what he wants and has it. That's Harry Porter. He's got the perfect job, the best buddies and no commitments beyond the next good time. It's the ideal life.

Then he stops to help Pippa White when she's stranded by the side of the road. He's known—and liked—her for a while, but as the ex of a friend, she's entirely off-limits. And as fun as the banter with her is, Harry knows single moms are out of his league.

So why all the excuses to see Pippa again...and again? And why can't he stop thinking about her? But most puzzling of all is how Harry suddenly wants to swap a night with the boys for one with *only* Pippa!
