Winter is Colorado's tranquil and seductive season, and outdoor photographer John Fielder has sought out the scenes that most evoke the subtle beauty of a Colorado winter. Capturing the sculptural shapes of snow blanketing trees and hillsides, and the stories told by tracks of recent visitors in the snow, Fielder shares the visual experience of this dazzling season. Outdoor writer M. John Fayhee provides the narrative to these alluring scenes, describing winter experiences of the backcountry traveler in the snow-covered Colorado mountains.
