**Mental Health Consultation and Collaboration** Gerald Caplan, Ruth B. Caplan

A valuable book for all who are involved in applications of psychology in community settings! The highly acclaimed authors of this volume provide a comprehensive and systematic presentation of the theory and practice of community mental health consultation and population-oriented psychiatry. The text outlines recent concepts of collaboration through which mental health specialists develop fruitful partnerships with professional colleagues in a number of health, education, welfare, and religious organizations. In addition to presenting a lucid description of the evolution, development, and current status of the Caplans' pioneering techniques, many of which have become standard practice in the mental health disciplines, the book clearly articulates the fundamental theoretical principles on which these techniques are based.
