New Order+Joy Division

Claude Flowers

New Order+Joy Division Claude Flowers

Formed from the erosion of Joy Division after the suicide of Ian Curtis, New Order were early pioneers of the synthesizer in dance music, coupled with deep bass lines. This book details the start of Factory Records and New Order's connections with Manchester's Hacienda Club, of which they were part owners. Also examined is the demise of Factory, the band's signing to Phonogram and the solo careers of Peter Hook, Barney Sumner, Julian Gilbert and Steve Morris.
