**Rachmaninoff: The Illustrated Lives of the Great Composers.** Matthew Robert Walker

In this biography, Robert Walker skilfully blends the fascinating story of Rachmaninoff's life with the historical background of his times. The author shows, too, how outside influences- the 1905 and 1917 revolutions, the Great War, the Wall Street Crash and the Great Depression- very much affected Rachmaninoff as an artist.

As well as the use of contemporary accounts, letters and reminiscences, the author has obtained recollections first-hand from distinguished musicians who knew the composer intimately and worked closely with him. The Book is illustrated throughout with photographs of the time, which are as fascinating as the text.
