The Hueys: What's the Opposite?: A Hueys Book Oliver Jeffers

Explore the humorous world of opposites with the #1 bestselling illustrator of *The Day the Crayons Quit* and his band of Hueys!

"What's the opposite of *the beginning*?" A sensible question to ask when opening a book that teaches the reader about opposites. But maybe we should start with something a little easier? For example, it's quite *unlucky* when a Huey finds himself stranded on a hot, deserted island—but how *lucky* it is when a fan arrives to provide some cool air! Oh, wait . . . nowhere to plug it in? *Unlucky*, once again. Now for a harder one: What's the difference between *half full* and *half empty*?

Stumped? Don't worry, that one will make a Huey's head hurt too.

In this funny concept book from the illustrator of the #1 *New York Times* bestselling *The Day the Crayons Quit*, Oliver Jeffers takes us on a delightful ride through the world of contraries.

Praise for *The Hueys in What's the Opposite?*

* "Even readers who know the basics of opposites will get their minds blown here, as a glass is considered half full on one page but also half empty on the next. It's not easy to be so very simple and so very clever, but Jeffers manages in this laugh-aloud offering that will get groups giggling."—*Booklist*, starred review

* "An amusing twist on the traditional concept book by a beloved master of shape and line."—*School Library Journal*, starred review

"A clever concept book from beginning to end."—*Kirkus Reviews*

From the Hardcover edition.
