The Littlest Dinosaur's Big Adventure Michael Foreman

The littlest dinosaur gets lost one day when he goes out on his own. While at first it is all a lot of fun, soon he starts to get concerned, particularly when he starts to hear some crying from behind a tree!

When he finds out who is crying, the littlest dinosaur has to be much braver than he thought he could be.

Brilliantly read by Claire Skinner. Please note that audio is not supported by all devices, please consult your user manual for confirmation.
