Building Blocks for Sunday School Growth are at your fingertips. These six building blocks: Vision, Balance, Leadership, Relevant Teaching, Receptivity and Inclusion, and Outreach and Inreach, will help you develop an intentional vision and plan for spiritual and numerical growth. The authors contend that failure to pay attention to the infrastructure in these six areas can lead to a decline in the quality of your Sunday school. However, by focusing on these six building blocks, you will re-energize your leaders and allow your Sunday school to grow and develop. As you gain a renewed perspective on the potential of Sunday school, you will notice an increase in energy, both spiritual and numerical. The critics are wrong— Sunday school is not dead! Strengthening these six areas of your organization can lead to a renewed Bible Teaching Ministry. Your Sunday school can grow, and as the Sunday school grows, so, too, will the church.
