**Dear God, What's Happening to Us?: Halting Eons of Manipulation** Lynn Grabhorn

In dark times, a message of hope.

In her bestselling *Excuse Me, Your Life Is Waiting*, Lynn Grabhorn told how to literally create your own reality. Then--as she tells here--her own life and health inexplicably fell apart. After years of struggle, she learned that the reason why involves nothing less than the age-old struggle between positive and negative forces.

More important, she learned how this struggle began, how it is playing out, why times today are so hard for so many, and--WHAT WE CAN DO ABOUT IT.

This book is, above all, a message of hope. In Grabhorn's trademark down-to-earth style, she shows how we--each of us--can choose to embrace the positive in such a way that the negative loses all power over us. Forever.

This powerful message, if heeded, will change the course of human history for the better.
