## **Hidden History of Spanish New Mexico** Ray John de Aragón

New Mexico's Spanish legacy has informed the cultural traditions of one of the last states to join the union for more than four hundred years, or before the alluring capital of Santa Fe was founded in 1610. The fame the region gained from artist Georgia O'Keefe, writers Lew Wallace and D.H. Lawrence and pistolero Billy the Kid has made New Mexico an international tourist destination. But the Spanish annals also have enriched the Land of Enchantment with the factual stories of a superhero knight, the greatest queen in history, a saintly gent whose coffin periodically rises from the depths of the earth and a mysterious ancient map. Join author Ray John de Aragon as he reveals hidden treasure full of suspense and intrigue.
