**Indians, Cowboys, and Farmers: 1865 - 1910 (The Drama of American History Series Book 17)** James Lincoln Collier, Christopher Collier

History is dramatic -- and the renowned, award-winning authors Christopher Collier and James Lincoln Collier demonstrate this in a compelling series aimed at young readers. Covering American history from the founding of Jamestown through present day, these volumes explore far beyond the dates and events of a historical chronicle to present a moving illumination of the ideas, opinions, attitudes and tribulations that led to the birth of this great nation.

*Indians, Cowboys, and Farmers* discusses the settling of the area between the Missouri River and the Rocky Mountains and the conflicting interests of the different groups involved--the Indians, cowboys, farmers, sheepherders, and railroad barons. The authors discuss the effect of the American policy of westward expansion on the Indian population, the rise and fall of the "Cattle Kingdom," and the importance of cross-country transportation. The text is enhanced with maps, photographs, and images of historic art & artifacts.
