Ocean Beach, a neighborhood of San Diego, California, is known throughout the city, county, and beyond as a unique and quirky place with the feel of a small town, despite being a stone's throw from the center of a major metropolis. Founded in 1887 in a coastal area known for its beautiful cliffs and rock formations, Ocean Beach went through growing pains in the early 1900s before establishing itself as a family-oriented, self-contained beach community by the mid-1930s. Full of mom-and-pop stores and very walkable, Ocean Beach is a favorite destination for thousands of tourists and San Diegans each year.
