How Not to Talk Like an Arse: 101 Words You Shouldn't Use Any Time Soon Richard Wilson

Just when you thought it was safe to go back into the bookshop, comes bestselling author Richard Wilson's triumphant follow up to *Can't Be Arsed* and *Don't Even Think About It!*, *How Not to Talk Like an Arse* is Mr Wilson's hilarious, and topical, self righteous stab at the modern day vernacular, taking aim at the invention of ridiculous, nonsensical words that not only are just plain crap but also make those who dare speak them sound like complete twits. Richard waxes lyrical on awful words such as 'Ciao', 'Hurting', 'Fashionista' and 'Staycation'. He also lets loose on how those words were created and how they escaped and survived in the wild instead of being killed at a young age. Written in Richard's utterly fantastic ranting style, this sharp-shooting of the ridiculousness of the modern english language and the morons who use it is a must-have for everyone this Christmas.
