A novel inspired by history. The book centers around the main character, Lionel Miller, a leader of the Jewish Underground. The story follows Lionel as he undergoes torture, escapes death in his struggles with the Arrow Crosses and finally with his acceptance of a bizarre assignment proposed by Adolf Eichmann, hence the title of the book, 'I'll Sell You a Million Jews'.

This story, although outside the gore of the death camps, deals with survivors, but sees the entire world as the ultimate Survivor in what may be mankind's Armageddon.
