## **Self-Working Mental Magic (Dover Magic Books)** Karl Fulves

"An excellent introduction to mentalism and mental magic. It covers a broad range of mentalism methods, tools, and techniques. Also, each chapter moves at a good progression from the simplest to the most advanced. Yet even the most advanced stuff is not beyond the reach of beginner." — Magic Reviewed

Karl Fulves, one of the most renowned modern writers in the field of magic, presents 67 new and foolproof tricks — spectacular mental feats that seem impossible but are easy to perform. None of the tricks requires long practice, supernormal dexterity, or complicated apparatus. Mr. Fulves' precise, easy-to-follow instruction and many helpful diagrams lead to quick mastery and effective performance of each. Perform mystifying mental magic in such categories as Instant ESP Psychic Secrets, Slate Sorcery, Mind Reading with Cards, Mind over Matter, Miracles with Cards, Book Tests, and Psychometry. Many of these tricks can be done with no prior preparation, and all involve easy-to-find materials: a deck of cards, coins, matches, dice, keys, chalk, etc. But while the materials are ordinary, the effects are truly extraordinary. Magicians who wish to add mental acts to their routines, party entertainers, or anyone wishing to give an amazing performance of mental magic will find this book perfect for their needs.
