Templar Sanctuaries in North America: Sacred Bloodlines and Secret Treasures William F. Mann

Traces the movement of the Templars' secret treasure across North America to where it still resides, protected by a sacred lineage of guardians

- Explains how the Templars found refuge with Native American tribes, intermarrying with the Natives to continue the Holy Bloodline and further the lineage of guardians needed to protect their treasure and secrets
- Reveals new evidence for the existence of Templar settlements and monuments across North America and how these reactivate the continent's sacred rose lines
- Pinpoints the exact location of the Templar/Holy Bloodline treasure

Many have searched for the lost treasure of the Knights Templar, most famously at Oak Island. But what if the treasure wasn't lost? What if this treasure--necessary to sanctify the Temple of Solomon and create a New Jerusalem--was moved through the centuries and protected by a sacred lineage of guardians, descendants of Prince Henry Sinclair and the Native American tribes who helped him?

Drawing on his access as Grand Archivist of the Knights Templar of Canada and his own role as a descendant of both Sinclair and the Anishinabe/Algonquin tribe, William Mann examines new evidence of the Knights Templar in the New World long before Columbus and their mission to protect the Holy Bloodline of Jesus and Mary Magdalene. He reveals the secret settlements they built as they moved westward across the vast wilderness of North America, evading the European Church and Royal Houses. He explains how the Templars found refuge in the Sacred Medicine Lodges of the Algonquins, whose ceremonies and rituals bear striking resemblance to the initiations of Freemasonry. He reveals the strategic intermarriages that took place between the Natives and the Templars, furthering the Holy Bloodline and continuing the lineage of blood-guardians. The author explores how Sinclair's journey from Nova Scotia across America also served to reactivate the sacred rose lines of North America through the building of "rose castles" and monuments, including the Newport Tower and the Kensington Rune Stone.

Pinpointing the exact location of the Templar treasure still hidden in North America, the author also reveals the search for Templar sanctuaries to be the chief motivation behind the Lewis and Clark expedition and the murder of Meriwether Lewis.

From reader reviews:

Angela Drew:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each publication has different aim or goal; it means that book has different type. Some people truly feel enjoy to spend their time for you to read a book. They may be reading whatever they consider because their hobby is reading a book. Think about the person who don't like looking at a book? Sometime, individual feel need book once they found difficult problem or even exercise. Well, probably you will require this Templar Sanctuaries in North America: Sacred Bloodlines and Secret Treasures.

Crystal Scott:

Information is provisions for people to get better life, information today can get by anyone from everywhere. The information can be a information or any news even restricted. What people must be consider while those information which is from the former life are challenging be find than now is taking seriously which one works to believe or which one the particular resource are convinced. If you obtain the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Templar Sanctuaries in North America: Sacred Bloodlines and Secret Treasures as your daily resource information.

Jerry Bates:

The reason why? Because this Templar Sanctuaries in North America: Sacred Bloodlines and Secret Treasures is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book adjacent to it was fantastic author who else write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of positive aspects than the other book possess such as help improving your skill and your critical thinking technique. So , still want to delay having that book? If I ended up you I will go to the reserve store hurriedly.

Kenneth Clark:

Your reading 6th sense will not betray you, why because this Templar Sanctuaries in North America: Sacred Bloodlines and Secret Treasures publication written by well-known writer who knows well how to make book which might be understand by anyone who read the book. Written with good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still doubt Templar Sanctuaries in North America: Sacred Bloodlines and Secret Treasures as good book not only by the cover but also by content. This is one guide that can break don't judge book by its deal with, so do you still needing one more sixth sense to pick this specific!? Oh come on your looking at sixth sense already

alerted you so why you have to listening to a different sixth sense.
