In the first volume of The Forbidden Rites Series, Frank Connors and Alyssa Black live in quiet desperation working at their dead-end jobs as journalists. Then, one unexpected weekend completely changes everything forever. Given an assignment to write a column about the missing daughter of a prominent U.S. Senator; they find themselves in the mountain compound of the secretive Temple of Caelus. Led by a millionaire madman with a desire for power, the Temple of Caelus is rumored to celebrate sensuous, forbidden rites in honor of their lustful deity. In this fast-paced, erotic mystery, Ginger Lirrey brings you into a world of seduction, power, greed, desire, and lust. The secrets of dominance and submission are revealed in exciting detail as Frank and Alyssa come to grips with their own raw sexuality. Each page explodes with eroticism and passion as they are transported to an entirely new world of infinite possibilities. Once in that world with Frank and Alyssa, will you be able to resist celebrating The Forbidden Rites? Warning, due to the erotic nature of this series, not for readers under 18 years of age. Here is a small sample of what is in store: “You have to be purged and cleansed before your audience with Alexander, for your sins as well as your transgressions are great.” a female voice said softly but with firm intent from behind him. “I will be the one who ensures that you atone for your actions. Alexander thought that I would be perfect for this task being that I am well trained in the arts of dominance and submission. After this is all over,” she added with relish, “I think that you will understand just how perfect.”
